VISUAL ARTS

>> Running concurrently with the Calgary Stampede and beyond, from July 7 to August 25 is, **G'ddy Up!**. In this exhibition, the Newzones Gallery explores the visual side of cowboy pop culture. Once regulated to the movie world, the subject of the cowboy and cowboy kitsch has >>

become a growing presence in the contemporary art scene. Is this interest indicative of a society filled with nostalgic yearnings for a simpler time? Artists include Cathy Daley, Joshua Jensen-Nagle, David Levinthal, David Robinson, Russel Young, Joe Andoe and Kevin Sonmor. **Located at 730 11 Avenue S.W. Visit newzones.com for more.**
